## USE CHILD DECOY TO STEAL GO-CARTS

### Foster Parents of Detroit Baby Are So Accused in Court Proceedings.

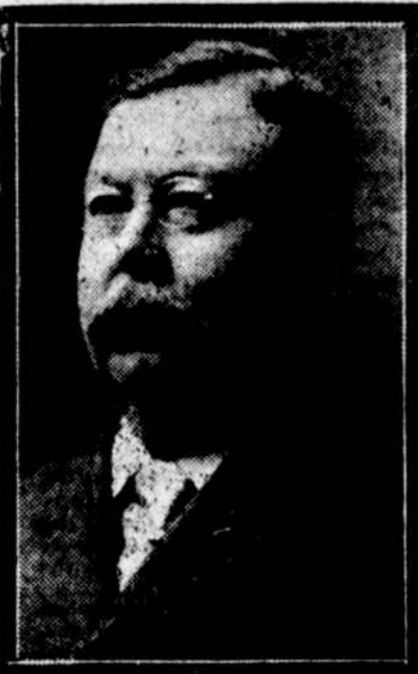

DETROIT, March 15.—Mary Ida Louise Robinson did not obey an order to appear in Wayne Circuit Court. But Mary isn't worried, because she probably knows nothing of the order and wouldn't obey it if she did, being only seven months old. She is the youngest child ever ordered into Wayne Circuit Court on habeas corpus proceedings, and she did not appear.

That was because she was sick in the House of Providence Hospital, Charles C. Chadwick, county agent, told Judge Adolph E. Marschner, when he appeared in answer to habeas corpus proceedings started by the foster parents of Mary Ida Louise, Mr. and Mrs. Thomas Robinson.

Chadwick said the police had turned the baby over to him when they arrested the parents on a charge of stealing a baby cab. Chadwick swore the police said the baby had been used as a decoy for the mother to appropriate baby cabs from the front of moving picture houses. He said she would drop the baby into the best looking cab in front, wheel it home, and the buggy would be repainted and changed in appearance.

The case will come up in the Juvenile Court on the docket of neglected children. No testimony of the parents was taken in the Circuit Court.

## Piles

Can't Be Cured from the Outside. External Treatments seldom cure Piles. Nor do surgical operations. The cause is inside—bad circulation. The blood is stagnant, the veins flabby.

The bowel walls are weak, the parts almost dead. To quickly and safely rid yourself of piles you must free the circulation—send a fresh current through the stagnant pools. Internal treatment is the one safe method. Ointments and cutting won't do it.

J. S. Leonard, M. D., a specialist, sets the work some years ago to find a real internal remedy for piles. He succeeded. He named his prescription HEM-ROID, and tried it in 1909. Before he was satisfied. Now HEM-ROID is sold by druggists everywhere under guarantee. It is a harmless, tabular, safe, and can always be found at Peoples Drug Stores and druggists everywhere. The price to the general public is the purchase price to any dissatisfied customer.

## RHEUMATISM LEAVES YOU FOREVER

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poisons Start to Leave the System Within Twenty-four Hours.

Every druggist in this country is authorized to say to every rheumatic sufferer that if two bottles of Allenbury, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinges of rheumatic pain, he will gladly return your money without comment.

Allenbury has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiable and where the patient was helpless.

Mr. James H. Allen, the discoverer of Allenbury, who for many years suffered the tortures of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money, but he has discovered a cure for this worst of all diseases, and he has instructed Peoples Drug Stores to guarantee it in every instance.

## PRISONER ADMITS KILLING ORGANIST

NEW YORK, March 15.—A big, powerful negro, built like a gorilla, was captured yesterday by the New Jersey authorities as the slayer of Mrs. Edith Wilson, the pretty young church organist, who was found killed Saturday night within a few yards of her home at Perth Amboy. He is George Washington Knight, twenty-two, of Keyport.

The man made a complete confession of his attack upon the woman, according to a statement by County Prosecutor Joseph Stricker, of Middlesex County.

His only motive in making the attack, he said, was to carry out a boast made during a drinking bout a short time previous.

When the details of the negro's confession became public property in Perth Amboy last night, feeling against the murderer became tense. Groups of men gathered on various street corners.

Prosecutor Stricker had ordered that the negro be shackled and hurried immediately from the police station at Perth Amboy to the county jail at New Brunswick.

Extra guards were placed around the New Brunswick jail last night.
